Thank you for booking your child/ren into our holiday programme; we are sure they will have a fantastic time with us.

We have put together this sheet for your information so you know what your child will need to bring for the programme daily. Children have some free play time during their day, although the activities programmed throughout the day are designed to keep children engaged, active & having fun.

We provide afternoon tea daily from 3.30pm, this usually consists of a sandwich, in season fruit and vegetables and occasionally biscuits or baking. If your child/ren wish to bring some of their own things to play with they may do so, however, Kids After School **will not** be responsible for any loss or damage to these items and they should be labelled clearly. We would prefer that children do not bring electronic items such as phones, iPods, gaming machines etc. unless specified as a technology day

Please make sure your child has a packed morning tea, lunch, drink, a change of clothes and weather appropriate clothing. Please do not pack lollies, sweets or fizzy drinks into your child's lunch box. We do from time to time provide sweets and baking as treats for the children.

Please ensure you sign your child/ren **IN & OUT** each day. If anyone other than parents/caregivers will be collecting your child/ren, please put this information on your enrolment form as we won't release children to people not named.

If children are taking any medication that will need to be administered during our care, please hand in the medicine to a Supervisor and ensure that you complete a Medication Consent Form and sign this each day.

Please note that Kids After School has a no refund/transfer policy unless extenuating circumstances prevail. Please call the office for discussion.

Please name each item of your children's clothing clearly.

LOST PROPERTY

Kids After School will only hold lost property for 1 week after the completion of the holiday programme, and then all lost property will be donated to charity. Please label all your children's clothing and check the LOST PROPERTY daily.

Thank you for choosing Kids After School for your holiday needs.
